We welcome the opportunity to create custom menus to meet the needs and suit the preferences of your guests.

Catering Pricing

Food and Beverage charges are subject to a 22% taxable service charge and 6% state sales tax.

To qualify for tax exemption the organization must provide a valid Michigan tax exemption certificate prior to the event date and payment must match name on exemption form.

Function Space

The Resort reserves the right to change location to a more suitably sized area should the anticipated attendance significantly increase or decrease.

Food and Beverage Requirements

All Food and Beverage must be provided and served by the Hotel.

Food and Beverage is not permitted to be removed from the hotel's banquet area.

Guarantees

In order to make your event a success, please notify your Event Manager of the guaranteed number of guests attending each function at least three (3) business days in advance. Guarantees are not subject to reduction within the three (3) business day period. If no guarantee is received at the appropriate time, the expected number will become your guarantee and charges will be billed accordingly.

Round tables of eight or ten are customary. We do reserve the right to adjust table size in the event that the number of guests has changed.

Alcohol

The Inn at Bay Harbor – A Renaissance Golf Resort is the only licensed authority to sell and serve alcohol on the premises. Therefore, by law, it is not permitted to bring alcohol into The Inn at Bay Harbor by outside vendors or individuals. The Hotel reserves the right to refuse service to any guest that appears to be under age, without legal identification or appears to be intoxicated. The Inn at Bay Harbor reserves the right to request the removal of any alcoholic beverage brought into the hotel's banquet facilities.

Shipping

All materials shipped to the hotel should include:

Conference Guidelines

Banquet Menu Requirements:

The Inn at Bay Harbor reserves the right to change prices and items. Complete menus for group sponsored food and beverage functions should be submitted to the Event Manager at least 28 days prior to the main date of group arrival to allow food ordering and aging. Failure to submit requested menus prior to the 28-day cutoff may encounter substitutions based on market availability. The Inn operates a full catering service, and therefore, does not permit food or beverage to be brought onto The Inn property. For weddings, a charge of \$1.50 per person will be assessed as a cake cutting fee.

Meal Guarantees:

A firm guarantee of attendance is required for all private meal functions 72 business hours prior to the function. To help ensure the success of your event, it is important that an estimated attendance count is received no less than 14 days prior to the event date. This guarantee of attendance including children must be received no less than 10 days prior to each catered event. In the event that a guarantee is not given, management will automatically use the current house count of your group. All charges will be based on the guaranteed count, or the actual number of guests served, whichever is greater. If additional guests attend, the bill will reflect the guarantee count plus the additional guests. The culinary department will only prepare for an additional 5% attendance over the guarantee the day of the event, therefore proper notification of guest count is imperative to the success of the event. Children under 12 will be charged 75% of the posted menu price. Children 3 and under will not be considered in the final billing and therefore dine at no cost to you. Menu changes will not be accepted within the 72 hours prior to your event. The Inn at Bay Harbor requires a minimum 25 guests for a buffet meal. If you have less than 25 people and require a buffet, a surcharge of up to \$5.00++per person will be assessed to your final bill.

This information will be detailed in your event order.

Supplies:

The Inn provides, at no expense to convention groups, the necessary manpower and specified meeting room requirements to produce a successful meeting. Charges will be assessed, however, for extraordinary additions and/or changes requiring labor and/or materials from Maintenance, Housekeeping, and Set-Up, particularly when less than 24 hours notice is given. Client will be responsible for any repairs necessary to an area used by the Client if damages occur.

Signs and Displays:

Minimum pre-approved and pre-arranged signage is permitted in the public areas and grounds. This signage must be prepared by a professional outside service. It must meet The Inn standards and requirements (handmade, inked signs are not permitted) and must be removed immediately upon conclusion of the meeting for which it has been used. All displays are limited to the private function areas. No signage is permitted in the main lobby.

Outdoor Functions:

All outdoor functions scheduled on the Lakeside Lawn are subject to final weather decision by 5 hours prior to the function start time. The Inn management will make this decision in the best interest of a successful event for the convention group.

Music/entertainment for outdoor functions must conclude by 11:00 p.m.

Hotel Contractors:

The Inn reserves the right to advance approval of specs, including electric requirements, for all outside contractors hired for use by a convention group. The Inn will, upon reasonable notice, cooperate with outside contractors and make those facilities rented to them – to the extent that it does not interfere with their use by other Guests.

Materials:

The Inn requests that the following materials are not utilized: glitter, double-faced tape, nails, screws, and staples. Confetti, duct tape, and balloons, as well as all wires, strings or foreign materials placed in the ceiling can be used but must be removed. If any of these items must be used, please discuss these requirements with the assigned Event Manager. There may be safer and cleaner materials that can be substituted without damage to the facilities. Audio/visual set-ups and equipment should not be moved unless an audio/visual technician is present to assist. The Inn will provide this service upon request. Trucks and vans are not to be parked in Guest areas, including the circle drive, unless they are being unloaded. These vehicles should not be left unattended. All safety laws apply.

Function Space:

The Inn reserves the right to assign meeting space based on the final program and upon actual meeting attendance. When room blocks are reduced from the original commitment, The Inn will reduce function space allocations proportionately or charge the normal tariff for such space. The Inn also reserves the right (with prior notice to the client) to reassign such meeting space as will most appropriately accommodate all parties concerned.

Poolside Functions:

All beverages consumed poolside, including wine, will be served in non-breakable plastic ware.
