

A RENAISSANCE GOLF RESORT

Ways to “Do It” at Bay Harbor*

**Rekindle the Romance*

Have a special Couples Massage in our private couple's suite. As the time passes share our “decadent strawberries” with sparkling wine.

Find out your partners favorite scent and let a floral designer customize a beautiful bouquet for you. Knowing their colors and scent preferences will show you took the time to really think of them.

Challenge your partner to a unique activity – indoor miniature golf, tennis, adventure center wall climbing, surfing, croquet or chess perhaps disc golf?

Let your partner sleep in – or better yet run a special bath for them ...perhaps with bubble bath or scented bath beads. Don't forget that candle & card you chose to put by the jetted tub.

Let's get physical, physical....at our MGL Solace Spa with classes year round and The Inn Spa with classes during the summer. Fitness rooms are available at both spas' year around.

Time to fluff our weightless down comforter. Its time to slip under the covers for Movie Night “INN” Each gets to watch their own Lodgenet movie of choice with popcorn popping in their microwave. The South American Grille and Wine Bar will offer a special aphrodisiac cocktail – perhaps a Chocolate Martini? Don't forget to turn down the lights and no fighting for the remote, please.

Summer

With the beauty of Lake Michigan in the background build your own sand castle next to Lake Michigan. As evening approaches place candles on your castle and enjoy a special toast to the day.

Find a Petoskey Stone, make a wish on it and throw it in the lake only to hold your secret wish forever.

Take one graham cracker, one delicious chocolate bar, one carefully toasted marshmallow roasted over the evening fire at our fire ring then step back in time and savor the taste.

Become kids again and try your hand at go-carting, batting cages and miniature golf.

Build your own dream vacation – right here in Bay Harbor. Choose one of the fabulous homes – which one would he like, which one would she like. Then choose your yacht from any in the yacht basin in the Village. Decorate them with items from our upscale shops. Don't forget to dress the part from our fashionable retailers. Drive off for the evening in your incredible luxury car. Total up everything you have (mentally) spent. See, dream vacations do come true. Sweet Dreams.

Challenge your partner to a unique activity – which neither are good at. Take on our professional golf pro's and have them customize a golf lesson just for the two of you. Save time for that leisurely lunch and finish the day off with that couples massage. You may never want to come out of your "suite" sanctuary.

Have a romantic hand written love message in a bottle delivered to the beach while you watch the sunset.

Charter the "Pointer Boat", a replica of the historic water taxi used by our summer Guests on prestigious Harbor Point. Enjoy cruising by some of the beautiful summer homes in Harbor Springs.

Want something more serene? Try kayaking the bay or one of our beautiful inland lakes like Walloon Lake where Hemingway grew up or our relaxing Beach House on a lake at Boyne Mountain – no jet boats to listen to.

Have a photographer capture that special moment together on the waterfront perhaps at the beach- barefoot and carefree with the warm breeze coming off the lake. When was the last time you really dressed up, would you prefer a more formal picture on the patio with the pinks and oranges created by our colorful sunset in the background? Now, remember the sounds, the music, the mood that only a picture can capture.

Hold hands as you walk through the community of Bay View. The 440 Victorian homes will set the stage and take you back in time to 1875.

Snuggle up in our waterfront hammocks. Listen to the birds and waves rushing to shore.

Winter

When was the last time you made dinner "together"? Learn to cook special recipes at Galley Gourmet or the Walloon Lake Inn.

Your still holding hands in January while on the fun horse drawn wagon ride at Boyne Highlands & Boyne Mountain.

A moonlight dinner at the Top? Aonach Mor is the place to be. Begin the evening by taking the sleigh to North Peak where a crackling bonfire will greet you. An unforgettable evening with live music and lovely dinner by candlelight.

Cozy up, its time to go outside! Our dog sledding adventure at Boyne Highlands will surely put a smile on your face. You will ride on our scenic trails blanketed with white fluffy snow all around you. Reservations are a must.

Challenge your partner to a unique activity – which neither are good at. Ice skating or tubing anyone?
